Europe for YOUTh – YOUTh for Europe
EU Youth Conference:
Space for Democracy and Participation

» The complete demand is as follows:

We demand co-decision-making processes on all levels with young people and youth organisations, implemented through a rights-based approach.

This demand was formulated at the EU Youth Conference by youth delegates from all over Europe. Together with six other demands they have become part of the Conclusions of the Council of the EU (2020/C 415/09). The demands summarize important steps in order to put European Youth Goal #9 "Space and Participation for All" into practice.
